

Pat Struckman Meal Train

Dear CWGA -

As you know Pat Struckman fell and broke her hip. She is currently in The Pearl doing rehab and should be home by the middle of this week. Her daughter Christie will be with her this week.

Want to know how to help? I am starting a Meal Train for Pat beginning Monday May 31. Please use the link below to sign up for a day to bring Pat a meal. Remember, she does not need to feed a houseful of people so please plan for enough food for 2-3 meals small meals only. Pat says soup would be her preference, but we have included some other options on the Meal Train site.

Pat thanks everyone for their care and help until she is back golfing with us. I will add additional days in June if needed.
