“The heart of a home is a mother.” Many of us will be recognizing our own Mother’s, and, being honored ourselves on May 12, Mother’s Day. While many have Mothers who are now gone, their legacy lives on in us and our children. This past year I have experienced the joy of a first grandchild. Not only do I love this new little being, I am thrilled at being able to observe my daughter in her role as Mother. I relate to her sense of responsibility, happiness, love, and sometimes challenge. Cheers to all on Mother’s Day!

At our last CWGA Board Meeting Terry Borst addressed the issue of tee times. As a reminder, the sign up book always has dates for 4 weeks out. Terry noted that those playing nine holes generally prefer to begin golf at 9 a.m., so as the season progresses, she will release the earlier and/or later tee times back to the golf course for public use.

Our first play day of the season followed the Welcome Back Breakfast hosted by the Membership Committee. Janet Ferguson, Jan Holley and Jean Czubin welcomed the new members with a “goodie” bag and a rose, and we were treated to mimosas and a delicious breakfast at The Turn. Rain was forecast, but except for a little drizzle at the start, it turned out to be a perfect day for golf. We had a full complement of players for the scramble.

If you haven’t had your picture taken for the CWGA Members Directory you will be contacted to have your photo taken. Also, once everyone has a red shirt, we will all gather for a group photo to replace the old one currently on the website. It will be on one of the shotgun dates in May or June. Cathi McLain is the contact to get your shirt ordered.

Our May 2 Scramble will be followed by a Mexican themed luncheon, organized by our new Social Committee, chaired by Liz Henry and

Carole Sletta. The theme will be “Sinko de Putt,” in honor of Cinco de Mayo.

Finally, with the many new rules to navigate, the theme for the season is “help each other.” If there is a rules question, be ready to help.
