Laura Curran – Publicity

Welcome to our well-deserved Summer in this beautiful part of the world! We made it through the rain, snow, soggy golf play, and, the hibernation of Winter. The Summer season brings us back together outdoors with activities such as golf, tennis, walking the neighborhood streets, sitting by the pool, and barbeques. I will savor this weather and additional opportunities to reconnect with Charbonneau neighbors. See you outside!

CWGA is currently at 98 members and is still open for women to join to play 9 or 18 holes of golf. If you haven't had your picture taken for our Membership Book please contact Janet Ferguson or Laura Curran.

June Scramble

Our June Scramble titled, *Swing Into Spring*, was held Thursday, June 6. We started with an 18 hole Scramble and followed by lunch with 59 members. Our Social Co-Chairs, Carole Sletta and Liz Henry, once again planned a beautiful event. It was catered by Cutsforth's Market and included a lovely buffet with their popular chicken salad, along with fruit salad, banana bread, and both chocolate and lemon bars for dessert. The meal was followed by a Business meeting led by President Cathi McLain. In addition, Joann Linville provided further explanation and clarification on rules of play, and Terry Borst provided positive feedback on our pace of play.

Partner's Tournament

The Partner's Tournament was held both June 13 and 20th. Players partnered together with someone from their same Flight. Two pairs of partners played at regular tee time's vs a shotgun start. Other players were welcome to play a regular day of play as well. Lunch followed on the second Thursday of the Partner's Tournament for all members to join if they wished. Flight winners were not available at the time of this writing.
