PLEASE NOTE: In order to have the approximate same number of players in each flight, USGA Handicap Indexes will determine flight placement, as is standard practice. In order to be eligible for winnings payout, individual scorecards must be signed and attested. Please note each player is scored in the group they signed up for and began play with. An 18-hole player cannot quit after playing 9 holes and move to the 9-hole group, nor can a 9-hole player continue to play 18 and move to the 18-hole group.
