Schultze, Linda	49	\$7.50	Weber, Lois	37	\$7.50

9-Hole Play Purse \$ 60.50

Total Day's Play Purse \$ 150.00

All winnings are merchandise credits posted to your account in the pro shop.

PLEASE NOTE: In order to have the approximate same number of players in each flight, USGA Handicap Indexes will determine flight placement, as is standard practice. **In order to be eligible for winnings payout, individual scorecards must be signed and attested.**

Please note each player is scored in the group they signed up for and began play with. An 18-hole player cannot quit after playing 9 holes and move to the 9-hole group, nor can a 9-hole player continue to play 18 and move to the 18-hole group.

There will need to be a minimum of four (4) members playing 9 holes and four (4) members playing 18 holes to have a payout in each group (a foursome is not required, but you must play your round with a CWGA member).

There were no scorecards DQ in this weeks Days Play.
